- ◆ A **pact**, a written contract, always determines the conditions under which a demon enters the service of a human.
- ◆ Demons are generally stronger and faster than humans.
- ◆ A demon has no echo in the *Ghost Field*.
- ◆ When a demon physically dies, it is brought back... elsewhere, in their “original plane”.
- ◆ A demon can teleport from one location related to its affinity to another.
- ◆ Similarly, a demon can see at a distance; its perception extends through matter related to its affinity.
